2025
Annual Report

20 Years of Saving Babies and Souls

Praise God!

In 2025

10,226

Commitments to Christ
were made.

Behold

"Do not remember the former things,
Nor consider the things of old.
Behold, I will do a new thing,
Now it shall spring forth;
Shall you not know it?
I will even make a road in the wilderness
And rivers in the desert."

Isaiah 43:18-19 (NKJV)

THE PRESIDENT'S MESSAGE

We couldn't have done this without you.

Thank you for being faithful to the Lord.

Your prayers and generosity made it possible for PreBorn! to stand in the gap for mothers and babies throughout 2025. Because you stepped forward when it mattered most, women facing unplanned pregnancies were met with compassion, truth, and hope at some of the most critical moments of their lives.

2025 was our best year yet and God moved powerfully. Through your obedience, 84,302 mothers chose life, and 10,226 individuals came to know Jesus Christ as their Savior. Lives were spared, families were changed, and eternity was impacted because you acted in faith.

We reached abortion seeking women in the highest abortion cities and opened two Clinics in Brooklyn and the Bronx.

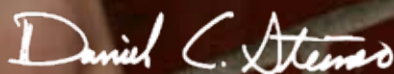

The face of abortion in America is darker than ever due to chemical abortion. PreBorn! meets this with technological strategies to combat this evil.

This is not a moment to step back. It is a moment to stand firm.

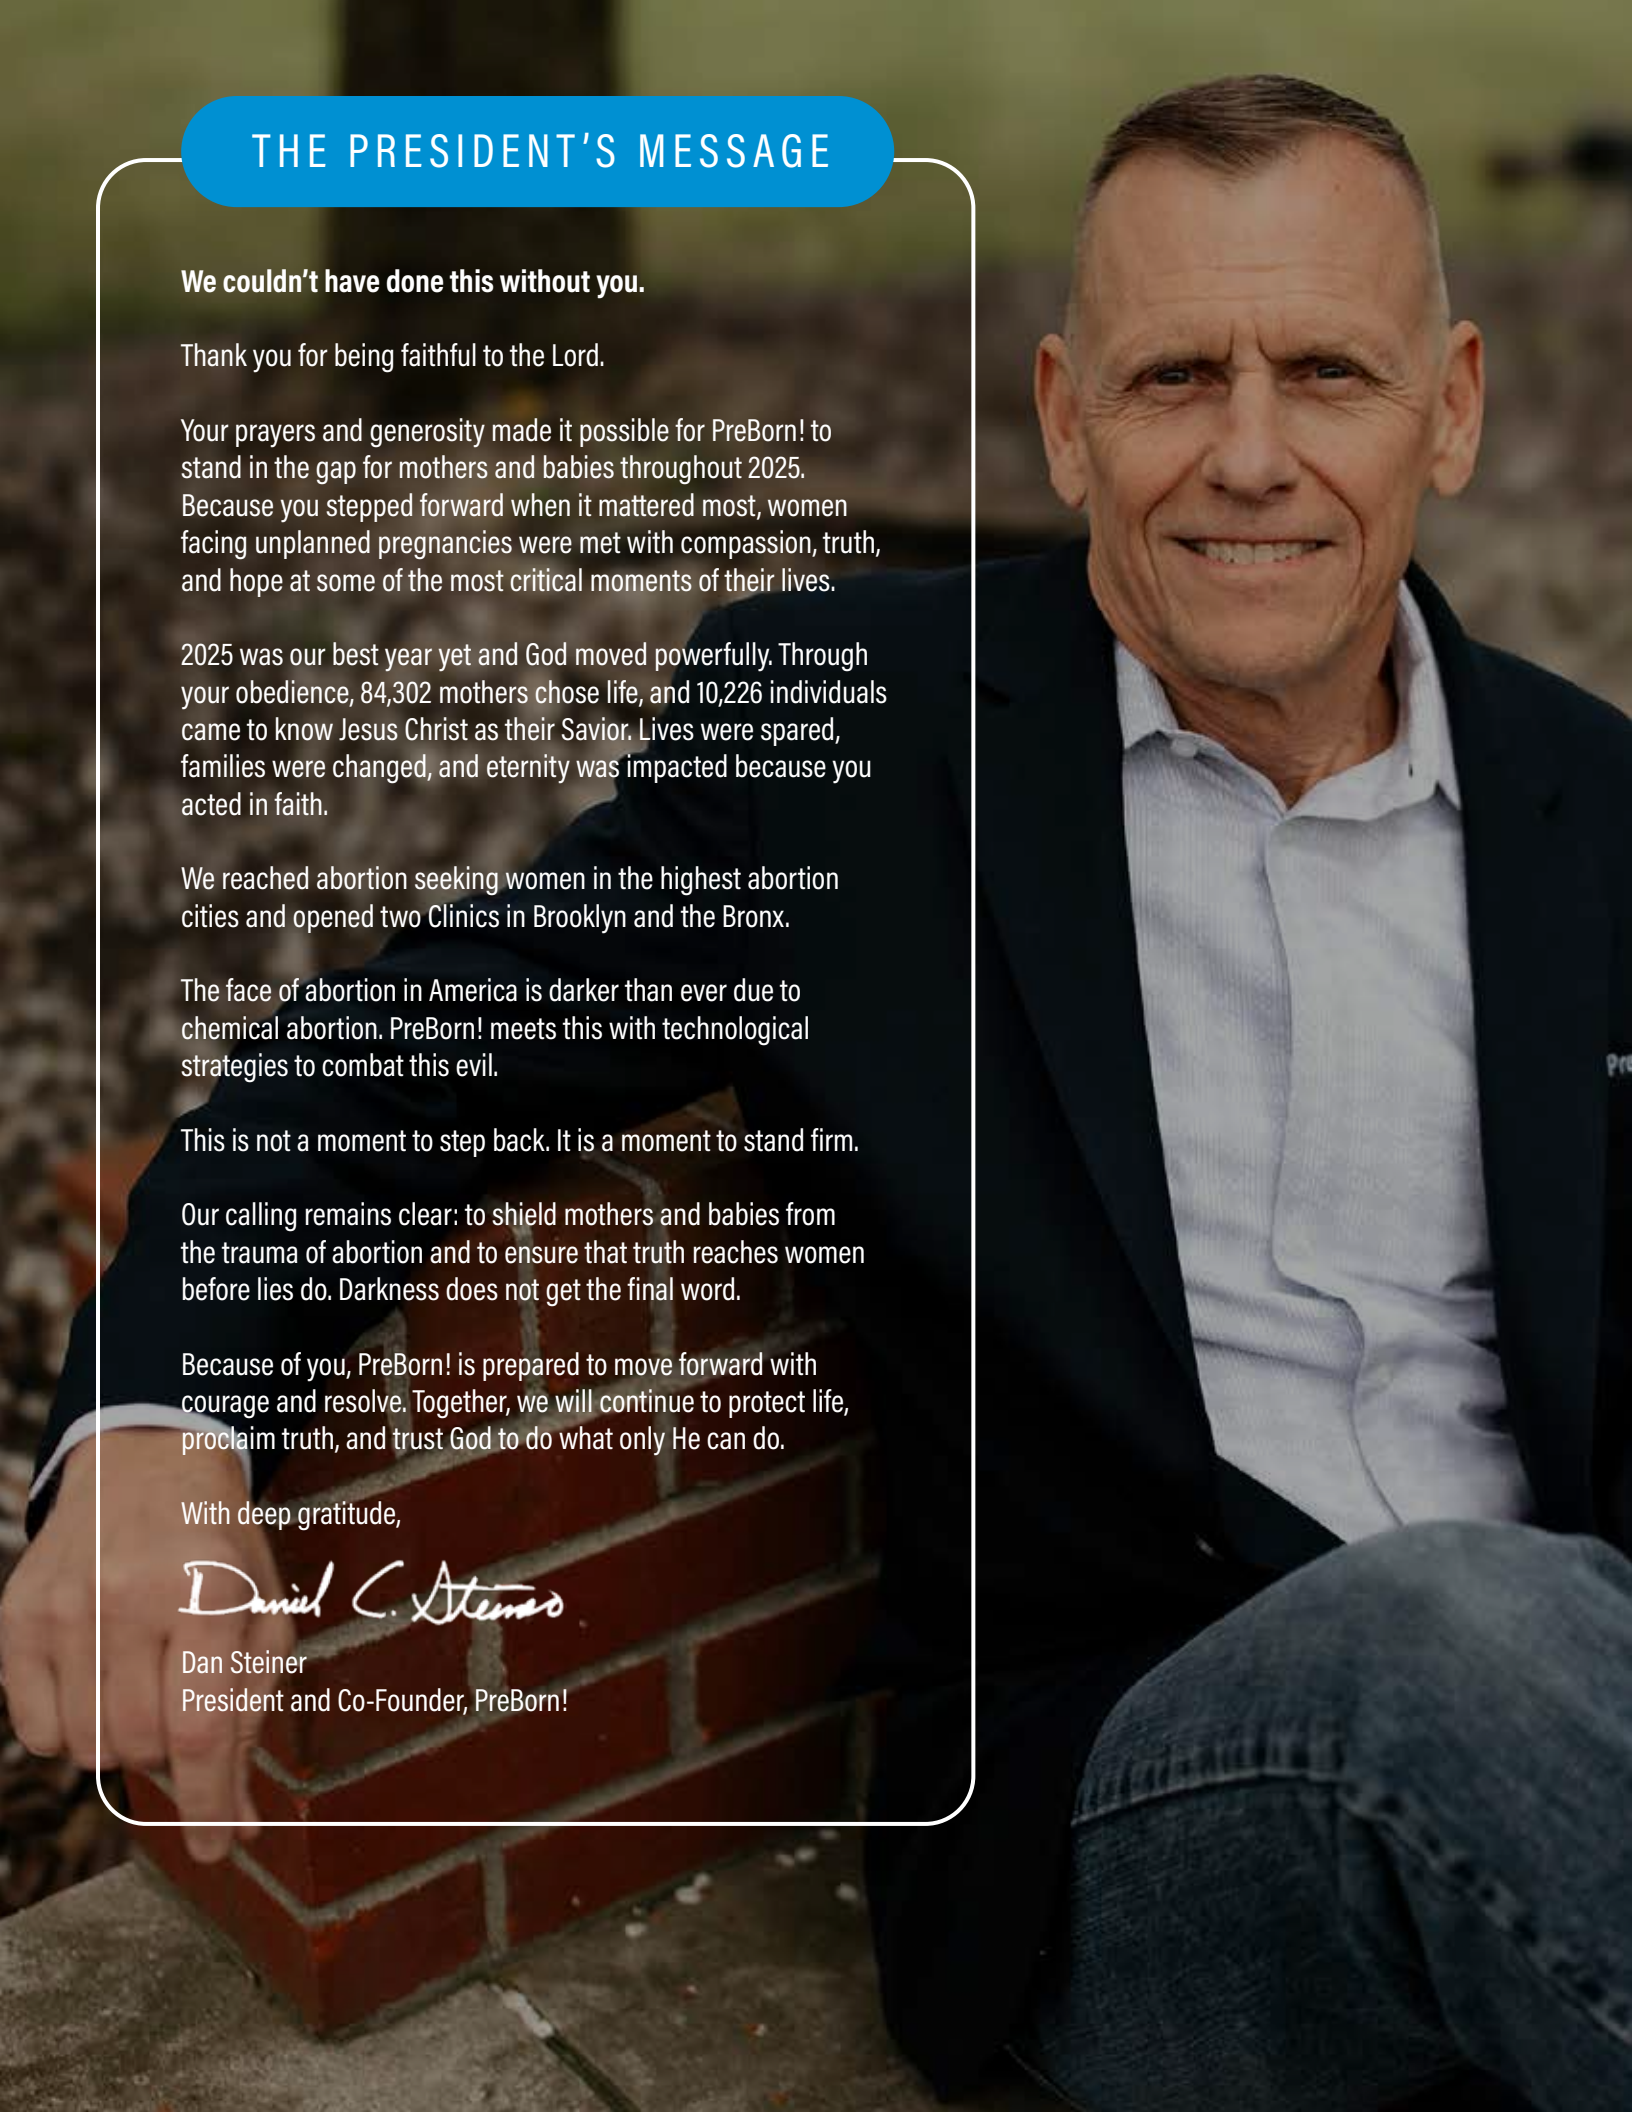

Our calling remains clear: to shield mothers and babies from the trauma of abortion and to ensure that truth reaches women before lies do. Darkness does not get the final word.

Because of you, PreBorn! is prepared to move forward with courage and resolve. Together, we will continue to protect life, proclaim truth, and trust God to do what only He can do.

With deep gratitude,

Dan Steiner
President and Co-Founder, PreBorn!

Lamentations 3:22-23 (NKJV)

GOD HAD NOT FORGOTTEN HER

When Dekayla found out she was pregnant, she panicked.

"I immediately started crying," she said. "I was like, no, I'm not having it."

Feeling overwhelmed and unsure of her future, she searched online for abortion options. Instead, a PreBorn! Network Clinic appeared at the top of her search results. She decided to visit the Clinic, looking for answers, not hope.

The moment she walked through the doors, Dekayla broke down. The warmth of the Clinic, the smiles, and the compassion caught her off guard. When a staff member stopped her in the hallway, hugged her, and prayed with her, Dekayla felt something she hadn't felt in a long time; love.

"I just felt like at that point so many things were happening in my life," she said. "I just felt like God forgot about me."

No one pressured her. They listened, and for the first time, Dekayla felt seen.

During her ultrasound, the medical team discovered three large fibroids. Days later, she began bleeding and rushed to the hospital. While the baby was fine, Dekayla wasn't.

Her blood level was dangerously low. Doctors told her she was at risk of a heart attack, stroke, or bleeding out. They explained that her pregnancy had likely saved her life by stopping the bleeding.

"At that moment," Dekayla said, "is when I decided that I was going to keep her because she saved my life."

London arrived far earlier than expected at just 28 weeks and six days. Surrounded by family, Dekayla prayed through the fear.

"God, just be with me," she prayed. "Just be with me."

Despite being so early, London was born breathing on her own and didn't need a ventilator. She had no complications, and her doctors were stunned. During the emergency C-section, surgeons also removed the fibroids that our PreBorn! Network Clinic had first identified. Both Dekayla and London recovered fully.

After London's birth, Dekayla faced financial hardship when she lost her job. Once again, our PreBorn! Network Clinic stepped in, helping with baby supplies and rent during a critical season.

Dekayla knows exactly how her story changed.

"I don't believe that it was a mistake," she said, "that when I typed in Google options for abortions that [this Clinic] popped up."

And she's just as clear about the people who made it possible.

"If it wasn't for you guys," she said, "I wouldn't be here. My baby London wouldn't be here and we wouldn't have had what we needed to bring her home."

Once, Dekayla wondered if God had forgotten her. Now, she praises Him and holds the answer in her arms.

Thank you for standing with women like Dekayla in 2025, and for being part of stories like hers that celebrate courage, life, and healing. We can't wait to see what you do in 2026 to save more babies and souls.

Trust in the Lord

"He has put a new song in my mouth—Praise to our God; Many will see it and fear, And will trust in the LORD."

Psalm 40:3 (NKJV)

THE NEW DARK FACE OF ABORTION

- Abortions in 2026 continue to rise.
- 1,300,000+ abortions in 2025.
- 65% of all abortions are now DIY (do it yourself) chemical abortions performed at home. This is the RU-486 abortion pill regimen.
- 10.8% of all chemical abortions report severe hospitalizations.
- PreBorn! is leveraging our technical expertise and Clinic capacities to counteract telehealth chemical abortion.
- PreBorn! is opening destination centers in high abortion, sanctuary states to counteract abortion trafficking.
- We need your prayers!

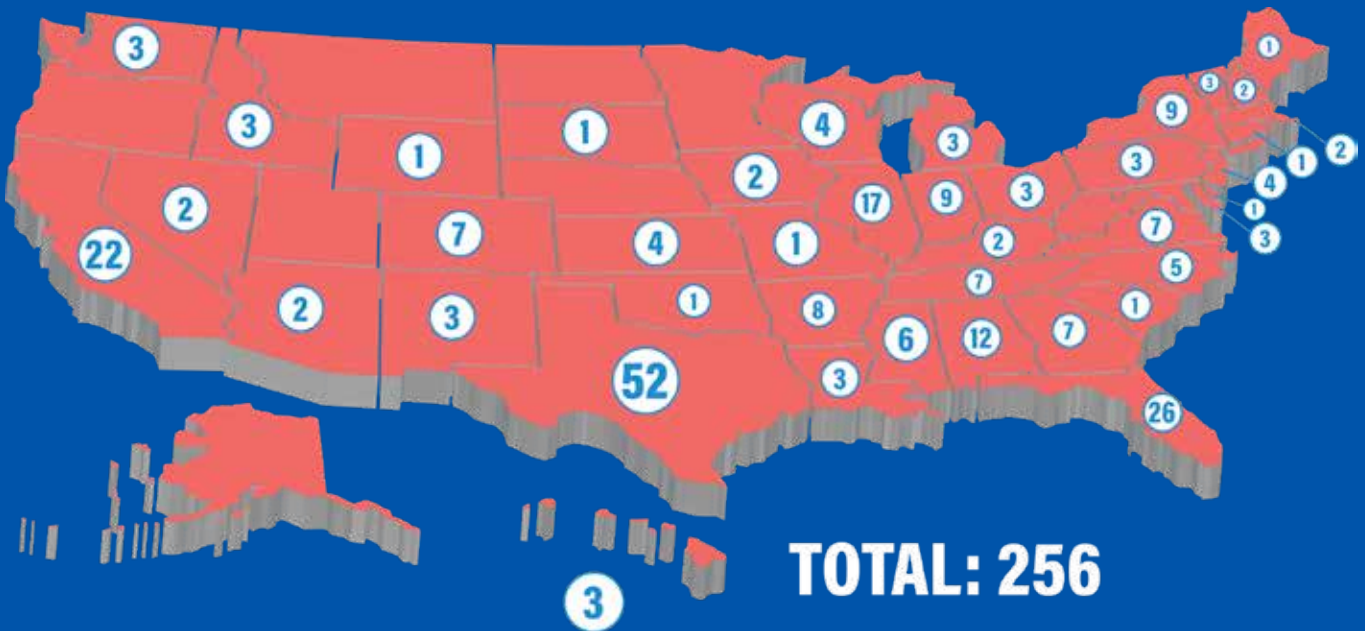

Strength for the Work Ahead

*"Enlarge the place of your tent,
And let them stretch out the curtains of your dwellings;
Do not spare; Lengthen your cords,
And strengthen your stakes."*

Isaiah 54:10 (NKJV)

PREBORN! NETWORK CLINICS

BY STATE

*He Who Has Begun a
Good Work in You*

"... being confident of this very thing, that He who has begun
a good work in you will complete it until the day of Jesus Christ ..."
